

**Texas Parks and Wildlife Department  
4200 Smith School Road  
Austin, Texas 78744**

**ADDENDUM**

Addendum Number: 01 Dated: August 2, 2018

Solicitation Number: 802-18-42902

Solicitation Title: 75-80' Catamaran Patrol Vessel

Due Date/Deadline: **August 21, 2018 2:00pm CT**

Purchaser: Tammy Dunham

**PURPOSE OF ADDENDUM: CLARIFICATIONS**

Except as provided herein, all terms and conditions of the document referenced herein, remain unchanged and in full force and effect. The following are specifications to this solicitation. This Addendum may be attached to and form a part of the referenced solicitation document and any resulting awarded contract, and may be considered in your response.

**1. Questions and Answers**

**Question 1:** With reference to RFP Attachment – A, section 1.8 can you please confirm that 2000 mile range is at most economical cruise speed

**Answer:** Yes, the 2000 mile range is at most economical cruising speed

**Question 2:** With reference to RFP Attachment – A, section 18, the propulsion shafting is specified as stainless steel. Would you please confirm if the intent in this RFP is to assure that marine grade stainless steel shall be used for shafts. Thus this is also intended for the shafts of waterjet powered vessels.

**Answer:** Yes, that would be a correct statement. If they choose to present a waterjet system they will need to note that as an exception to the current sought propeller system

**Question 3:** With reference to RFP Section 14.1.12, the cruise speed - 26 knots @ 55 GPH. On the trade in information the fuel consumption specified appears to be for one MAN engine. Please confirm that this interpretation is correct.

**Answer:** That interpretation is correct
